

Wayland, Jan 24th, 1866,

Friend May,

The documents you mention will be of no use to me, as I have copies. If you please, you may give one copy of the Appeal and one of the Catechism to the Library of Tufts College, by George L. Stearns, or some one who will take them without causing the college expense. The others you may sell for waste paper.

With kind regards to Mrs. May,
I am ever cordially your friend,

L. Maria Child.
